Education

High School for Mathematics, Science and Engineering, New York, NY
Mathematics Concentration

Class of 2016

Work Experience

Teaching Fellow, All Star Code, New York, NY

July 2015 – August 2015

- Assist teachers with instruction of computer science topics during class
- Provide logistical support to the Program Manager, such as setting up room for speakers or lunch
- Instruct students individually to clarify complex topics

Park Maintenance Staff, St. James Park, New York, NY

July 2013 – August 2013

- Cleaned all garbage across St. James Park and Poe Park
- Emptied trash cans across St. James Park and replaced trash bags
- Maintained the small Recreation Center garden

Leadership Experience

Co-Captain, Cheerleading/Dance Team, HSMSE, New York, NY

March 2015 – Present

- Choreograph routines for performances at competitions and school events
- Work with Ms. Downey, our coach, to spread dance appreciation across the school
- Lead warm up exercises every practice

Head Organizer, The Young Hackers, New York, NY

August 2014 – Present

- Reach out to aspiring computer programmers in high school and invite them to our hackathons
- Contact tech companies for sponsorship and general support
- Create agendas and schedules for our hackathons

Awards and Recognition

Recipient, Barbara L. Christen Scholarship

October 2015

- Awarded a \$5,000 scholarship for excelling academically and in my community
- Chosen to speak at the annual Dream Big Gala

Speaker, All Star Code Summer Benefit

July 2014

- Selected to speak on behalf of the inaugural All Star Code cohort in front of All Star Code benefactors in order to raise donations

Projects

Card Me

September 2015

- Built at PennApps XII, a 48 hour hackathon run by students from UPenn
- A mobile responsive web app that uses crowdsourced data to hold bars accountable for enforcing underage drinking laws
- Built with HTML, CSS, JavaScript and Firebase
- <http://www.card-me.co>

Personal Website

August 2015

- A mobile responsive bootstrap website that gives some background about me
- Built with HTML, CSS, SASS and JavaScript
- <http://www.djassi.com>

All Star BlackJack

August 2014

- My final project from the summer program I participated in, All Star Code
- BlackJack on an online webpage
- Built with HTML, CSS, and JavaScript
- <http://www.djassij.github.io/BlackJack>
